~A Vibrant Gathering Place Where Like-Minded People Enjoy Leisurely Moments~

"AEON Hachioji Takiyama" Grand Opening at 10:00 AM on June 26 (Friday)!

AEON MALL (hereinafter referred to as "the Company") will hold the grand opening of "AEON Hachioji Takiyama" (hereinafter referred to as "the Facility"), a complex commercial facility offering unprecedented new experiences, located in Hachioji City, Tokyo, on June 26 (Friday), 2026.

With the concept of "**A Vibrant Gathering Place Where Like-Minded People Enjoy Leisurely Moments**," the facility comprises a cutting-edge logistics hub — the Customer Fulfillment Center (hereinafter "CFC") — operated by AEON Next Co., Ltd. (hereinafter "AEON Next"), as well as 21 specialty stores, including a cinema.

"North" (Block A) houses AEON Next's CFC, powered by the latest AI × Robotics technology, while "South" (Block B) features a 9-screen cinema including an IMAX® Laser theater, along with a hands-on sweets-making workshop and stores with an attached large dog park, and more — all striving to create a lively hub rooted in the local community.

■ TOPICS

- **A New Shopping Experience Created by the CFC Powered by the Latest AI × Robotics Technology**
 - ・ The state-of-the-art CFC, which leverages the latest AI and robotics technology, will enable the launch of "Green Beans," an online supermarket that delivers fresh produce and daily necessities with consistent quality.
 - A brand experience facility will be established, where visitors can enjoy, learn, and experience the appeal of the "Green Beans" service. A pickup point for online orders will also be set up. ※ The pickup point is scheduled to open in the fall of 2026.
- **An Outdoor Space with Social Functions, Including an Outdoor Plaza (noNIWA) and the Largest Dog Park in the Hachioji Area**
 - ・ The facility will feature "noNIWA," a 560m² plaza, and the city's largest dog park, covering approximately 1,100m². It will also provide an event space where multiple generations can interact and a pet area where visitors can feel at ease, creating a new community hub open to the local area.
- **A Destination for "Enjoying Leisurely Moments", with Specialty Stores, a 9-Screen Cinema, and a Sweets-Making Workshop**
 - ・ It will offer a 9-screen cinema with an IMAX Laser theater, stores with an attached dog park, a hands-free BBQ area, and other amenities, designed to serve the entertainment needs of all age groups.
 - ・ It also features a sweets-making workshop at "Atelier UKAI," a renowned Western-style sweets shop in Hachioji operated by the UKAI GROUP.
 - A new complex area where visitors can experience brand appeal and craftsmanship with all five senses — bringing "leisurely moments" to the community — is set to open.
